A New Transport Link for South-west Shropshire

Bishop's Castle to Aston on Clun to Ludlow and back again

Shropshire Council and Shrewsbury Community Transport Initiative Ltd (Shrewsbury Dial-A-Ride), are launching a new community transport service to help rural communities reach the services they rely on.

The proposed service, known as the Three Castles Shuttle, will operate as a **Demand Responsive Transport** (DRT) service, providing a flexible transport link between Bishop's Castle and Ludlow; with pick-up points in Colebatch, Clun, Clunton, Little Brampton, Kempton, Lydbury North, Aston on Clun, Longmeadow End and Craven Arms.

The service is expected to operate on **Mondays, Wednesdays, Fridays and Saturdays** and will begin as a two-year pilot scheme.

Passengers can book their journeys in advance, allowing the service to respond to local demand, and make the best use of available resources.
